# About US

Switch Trading & Contracting is a dynamic and rapidly growing company operating under the umbrella of Ashrakat Trading & Contracting and West Doha. STC is ICV and ISO certified, we are based in Qatar and bring proven expertise across a diverse range of sectors including heavy equipment rentals, high and low voltage cable works, fiber optic installations, water lines, civil construction, roadworks and general maintenance.

Our strength lies in the convergence of technology, innovation, and deep industry experience. We believe that combining technical expertise with a clear vision is the key to delivering long-term value for our clients, industry partners, and the wider community.

# Mission & Vision

## Our Mission

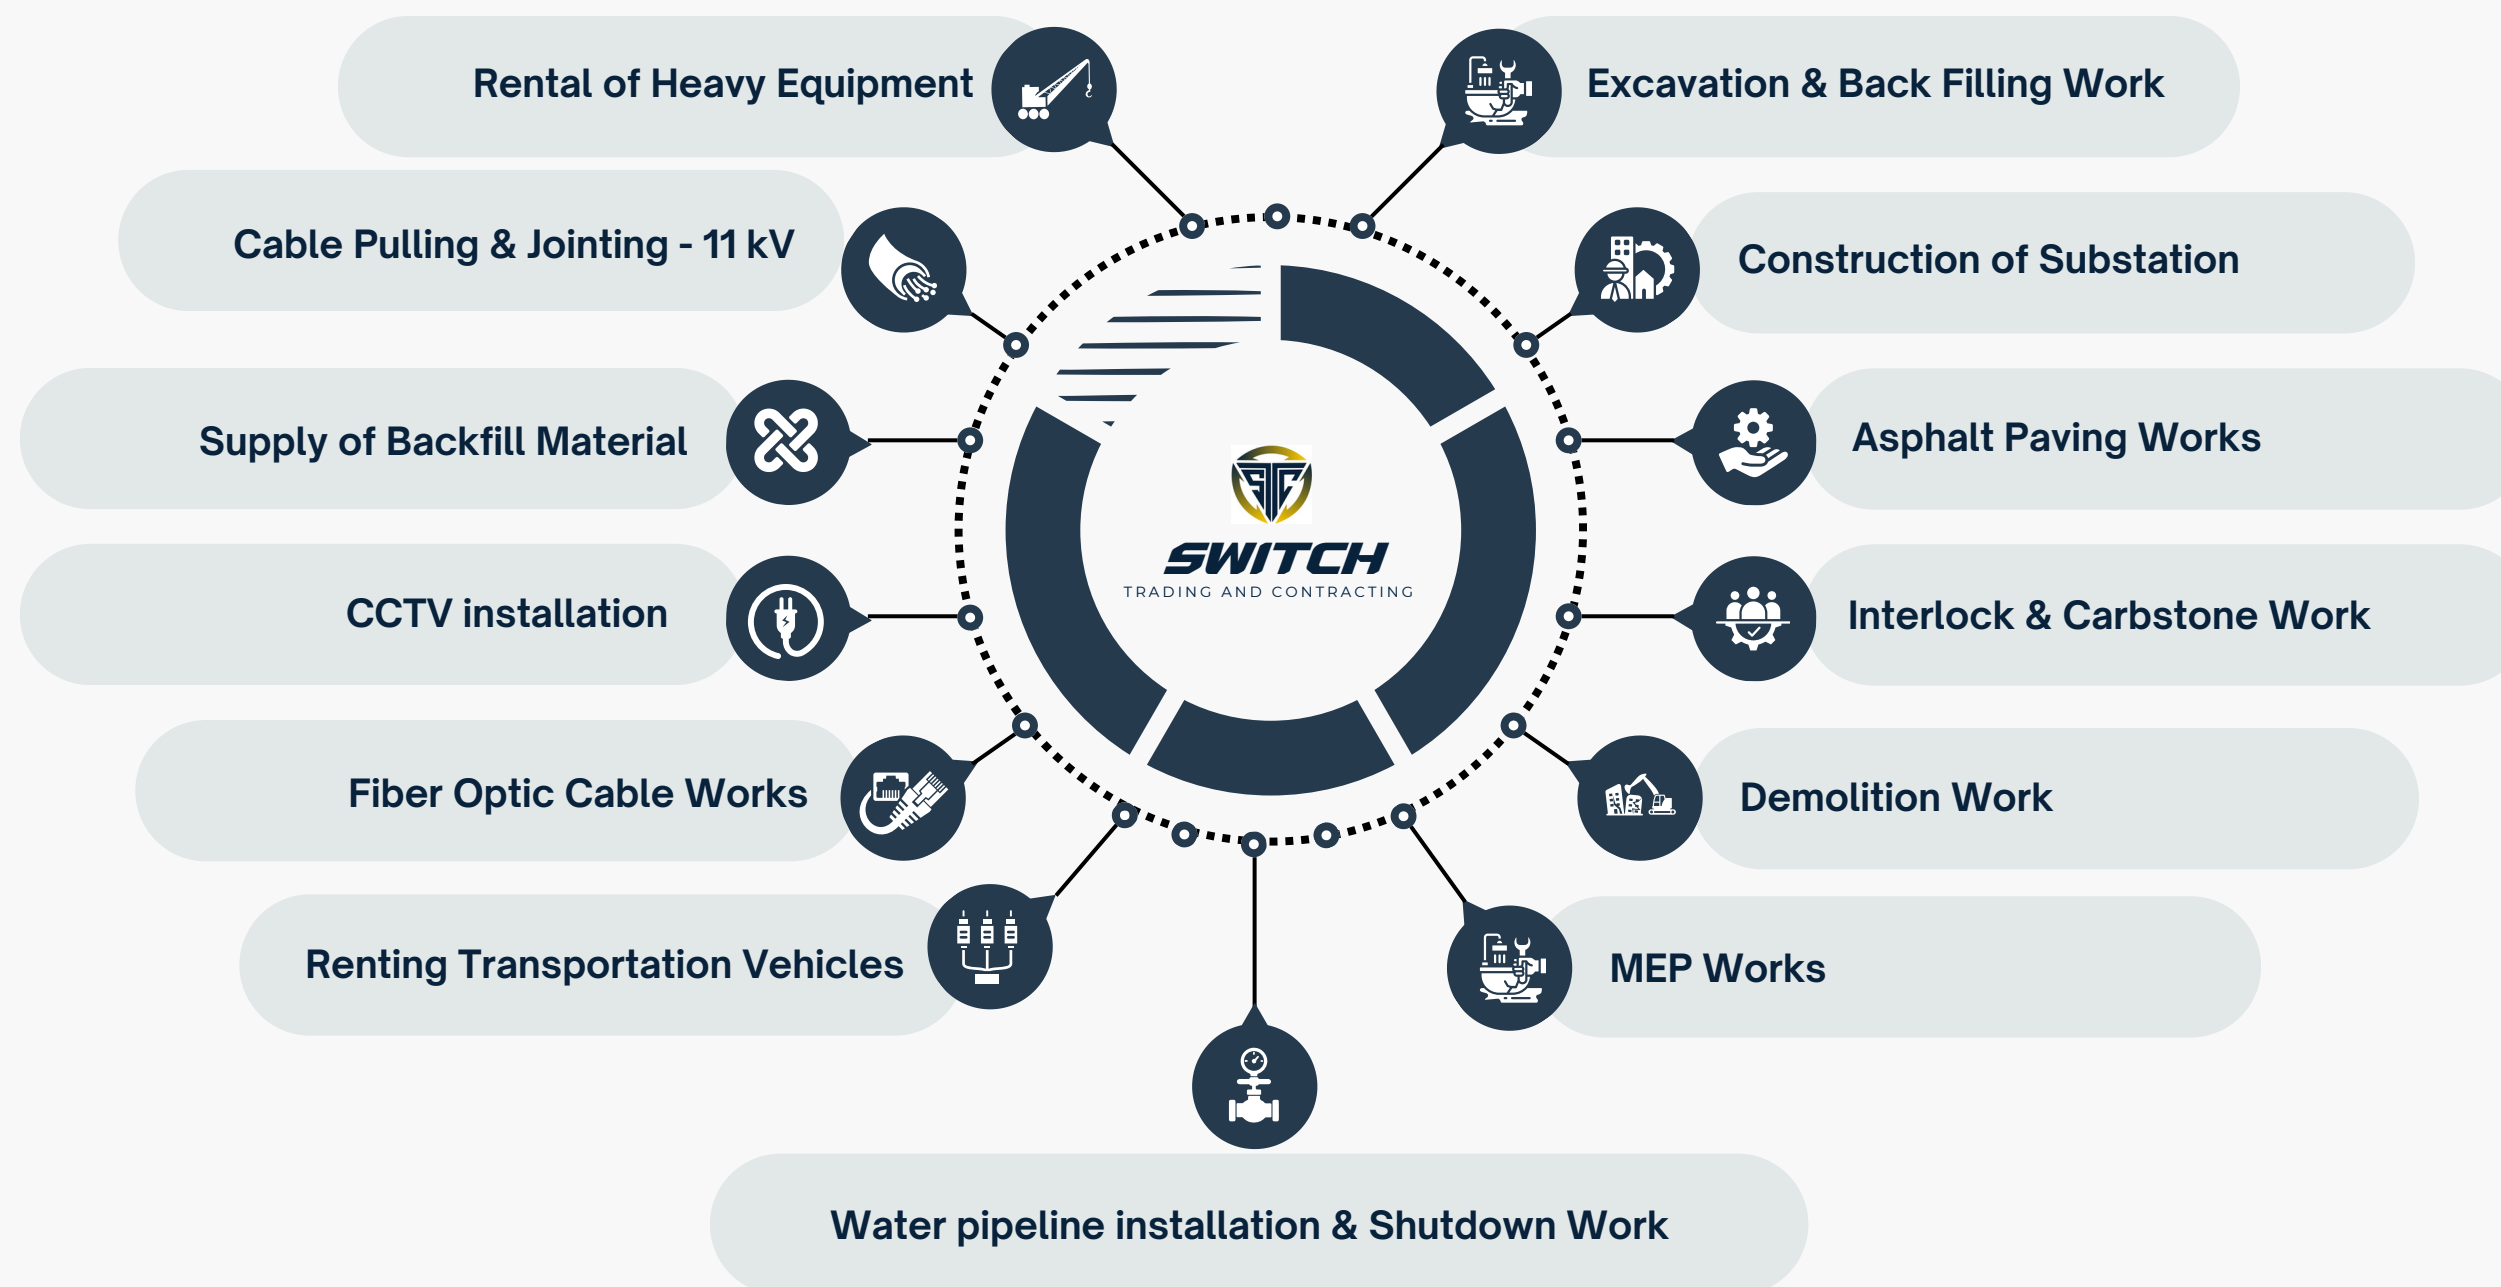

At Switch Trading & Contracting, our mission is to deliver reliable, high-quality, and cost-effective solutions across construction, infrastructure, and industrial services. We are committed to exceeding client expectations by upholding the highest standards of safety, integrity, and professionalism in every project we undertake.

## Our Vision

To be recognized as one of Qatar's leading contracting and services providers, known for our innovation, integrity, and contribution to the nation's sustainable development.

# Services
